HUD Survey of Public Housing Agencies

This brief, confidential survey solicits your opinion—as a spokesperson for your agency—of the service being provided by the U.S. Department of Housing and Urban Development, HUD. The questions can be answered by placing an “x” in the box of the response that comes closest to describing your experiences with HUD. If you deal with more than one HUD program, office, or employee, please take all of your experiences into consideration when answering the questions.

Your responses will remain strictly confidential. Neither you nor your agency will be identified in reporting the survey findings. The survey is being conducted by the Urban Institute, an independent and non-partisan research organization, and administered by Aspen Systems Corporation. They will report the results to HUD in aggregate form only.

Please complete the questionnaire by **January 12, 2001** and return it in the enclosed envelope. If you need assistance, you can telephone the Aspen Survey Operations Center toll-free at 1-800-441-7080.
