

2022-23 NATIONAL PRESERVATION AWARDS

ACHP/HUD SECRETARY'S

*Award for Excellence in
Historic Preservation*

The Advisory Council on Historic Preservation (ACHP) partners with the U.S. Department of Housing and Urban Development (HUD) to recognize developers, organizations, and agencies for their success in advancing the goals of historic preservation while providing affordable housing and/or expanded economic opportunities for low- and moderate-income families and individuals. In addition, nominated projects or activities will be judged for the success they have achieved in preserving, rehabilitating, restoring, and interpreting our architectural and cultural heritage. Two awards will be presented in summer 2023, as the award cycle shifts from fall to summer. Eligible projects must meet the following criteria:

- **Promote the use of historic buildings for affordable housing, community development, and/or expanded economic opportunities**
- **Include HUD funds, financing, or other assistance**
- **Meet preservation guidelines**
- **Contribute to local and/or tribal community revitalization efforts**

Established in 1867, the Milwaukee Soldiers Home is one of the earliest branches of the National Home for Disabled Volunteer Soldiers, created by Congress and President Abraham Lincoln to care for Union soldiers disabled during the Civil War. The Milwaukee Soldiers Home project rehabilitated six buildings into 101 housing units for veterans and their families who are homeless or at risk of homelessness. The project won the 2021 ACHP/ HUD Secretary's Award for Excellence in Historic Preservation. Photo: The Alexander Company
